

How is your recycling sorted?

Please check norfolkrecycles.com for a full list of items you can recycle.

Please make sure your recycling is clean so it doesn't contaminate other items during sorting.

Non-recyclable items like plastic bags are removed by hand

Glass falls through a screen and is crushed, ready to be recycled

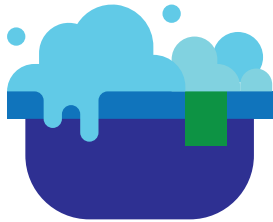

Cardboard is separated and sent off to be baled

Cans and foil are removed by a magnet

Plastics are sorted based on their 3D shape - keep your lids on your bottles!

Paper and magazines are sorted and sent to be turned into newsprint

Please ensure your recycling is:

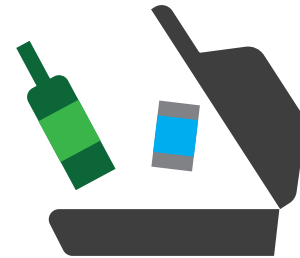

Clean

Leftover food or liquid contaminates recycling

Dry

Wet items can also contaminate other recycling

Loose

Please don't put carrier bags or sacks in your bin
