

# A day in the life: plastic bottle

Please check [norfolkrecycles.com](https://www.norfolkrecycles.com) for a full list of items you can recycle.

Bottles are sorted by machine based on their 3D shape - so please keep lids on and don't crush!

Your bottles are then shredded....

...melted...

...and formed into pellets, ready to be turned into new products!

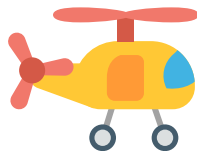

Your **plastic bottles** could be turned into:

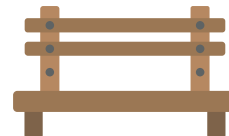

A comfy fleece

A football shirt

Plastic toys

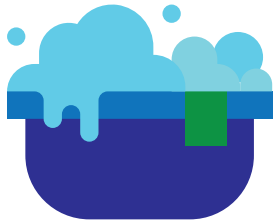

A park bench

Another plastic bottle!

# Please ensure your recycling is:

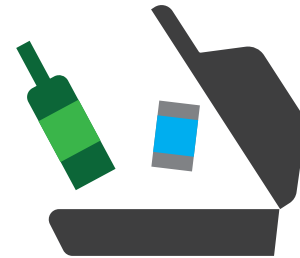

## Clean

Leftover food or liquid contaminates recycling

## Dry

Wet items can also contaminate other recycling

## Loose

Please don't put carrier bags or sacks in your bin
