

# The benefits of recycling

Please check [norfolkrecycles.com](http://norfolkrecycles.com) for a full list of items you can recycle.

Recycling materials uses 95% less energy than creating them from scratch!

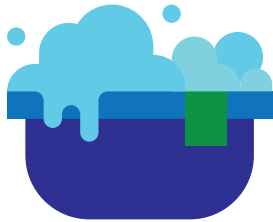

It costs less for your local council to recycle items than it does for them to be disposed of

Our earth's resources are finite, so by recycling we're ensuring these last longer

# Please ensure your recycling is:

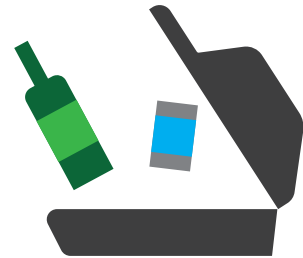

## Clean

Leftover food or liquid contaminates recycling

## Dry

Wet items can also contaminate other recycling

## Loose

Please don't put carrier bags or sacks in your bin
