

Your recycling: clean, dry, loose

Please check [norfolkrecycles.com](https://www.norfolkrecycles.com) for a full list of items you can recycle.

Clean

Food and drink residue can leak onto other items, meaning they can't be recycled.

Dry

After rinsing, shake off excess water as this can make other items (like paper) soggy and not fit for recycling.

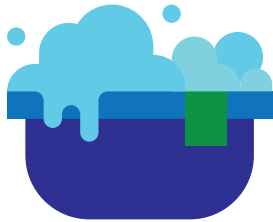

Loose

Bags cannot be opened at the sorting facility, so your items won't be able to be separated and recycled.

Please ensure your recycling is:

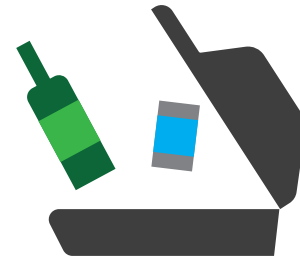

Clean

Leftover food or liquid contaminates recycling

Dry

Wet items can also contaminate other recycling

Loose

Please don't put carrier bags or sacks in your bin
