

REDUCE SINGLE-USE PROJECT

SCHOOL CHARTER

We,

pledge to cut down on our use of single-use plastics (and products) as much as possible in our school!

At lunchtime we will:

- ✓ Use reusable plates, bowls and cups for all hot meals
- ✓ Have only reusable cutlery for eating school lunches
- ✓ Use alternatives to single-use plastic packaging in all school provided lunches
- ✓ Reduce the amount of single-use plastic brought in home packed lunches by promoting 'Waste-free lunches'
- ✓ Ask kitchen staff to use reusable containers/single-use plastic alternatives for covering food during storage and preparation
- ✓ Reduce the amount of single-use plastic packaging suppliers use on food being delivered to school

At breaktime we will:

- ✓ Eliminate single-use plastic packaging from snacks sold at school
- ✓ Ask that snacks brought in from home are single-use plastic free

In other areas of school we will:

- ✓ Ask everyone to bring in reusable bottles for their water
- ✓ Stop using any unnecessary single-use plastics/products in the staffroom
- ✓ As far as possible, use suppliers who offer alternatives to single-use plastic packaging
- ✓ Look for any other ways to reduce the use of single-use plastic around school

[illegible]
