

HOW TO RECYCLE IN NORFOLK

Rinse your items

It is important that food and drink containers are rinsed out so left-over food does not spoil the rest of you recycling. It does not require any more water, simply rinse at the end of you normal washing up duty or pop into the dishwasher.

Let them Dry

Let them drain, while you're putting the dishes away!

Put the lids back on!

Yes! Lids on! We can accept lids on Milk bottles, jam jars and other bottles too

Put them in your recycling bin

Don't put them in bags! We need your recycling loose in your bin.

Don't forget to put your bin out!

Check with your local council to make sure you don't miss your recycling collection!
